Dear Ms. Senger:

This correspondence is in response to your "Request for Additional Information" (RFI) for the above referenced report.

Regarding Schedule A - supporting Line 15, we have disclosed certain offsets to operating expenditures items described as "INSURANCE" from Samuel Lambdin, M. M. Boyce and Cynthia Kenney. These receipts are for group insurance premiums for former employees included in our insurance plan. Receipts from Cafe Group and Israel Hernandez are from the sale of office equipment. The receipt from NRCC "OVERHEAD COST" is for their share of actual building operating expenses based on the percentage of office space they occupy in our building.

With regard to Schedule B for Line 21(b) of our report, you questioned \$371,666.53 in "memo" entries as apparent disbursements for various vendors. We are amending our report to show each memo entry immediately following its respective itemized transaction by applying an additional procedure to our data when we submit the report. In this way, the public and the analyst can associate the "memo" records with the appropriate itemized transaction visually as well as by electronic data analysis. We will adopt this as standard procedure on the report in question and subsequent reports that we file.

I trust this response answers your inquiry. If you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck
Director of Accounting
